Special Order Policy:

Because special orders (items not in-stock in Minneapolis) often ship directly to you from the manufacturer, Campbell-Logan Bindery cannot offer any direct warrantee regarding the overall uniformity or craftsmanship of the end product. As a result all special order sales are final.

Experience has taught, for all non-stock, or special order items you will need to budget approximately 10% for spoilage. Further, solid colors, especially cloths with a shiny finish, and all white cloths in general, tend to be more prone to visible flaws.

Please keep this policy in mind when estimating yardage and budgeting costs.
